Building Niagara's Premier Luxury Lifestyle Brand Together

300K+ Social Followers | 7 Active Communities | 700+ Homes | \$279M Pipeline

The Opportunity in One Page

M5V Developments is Niagara's most active boutique real estate developer. Across seven active communities in the Niagara region, we are delivering over 700 homes to a buyer profile that perfectly mirrors STK's core guest: high-income Toronto professionals relocating to the region seeking an upscale lifestyle.

We need a flagship venue that matches our brand. STK needs sustained exposure to a new, high-value local customer base. This proposal outlines a structured partnership that creates measurable value for both organizations on a permanent basis.

What We Are Proposing

- STK becomes the official event venue for all M5V Niagara launches, closing events, and VIP buyer dinners
- Preferred pricing / ongoing rate reduction in exchange for guaranteed volume
- A referral mechanism (secret word program) driving M5V's buyer community directly to STK
- M5V delivers dedicated social posts, story content, and email blasts to a verified high-income audience
- STK co-branding on all Niagara community event materials
- First right of refusal on all future M5V events across the region

Who M5V Developments Is

M5V Developments is a Toronto-based boutique real estate development company operating across the Greater Golden Horseshoe. Our model is built on a singular edge: we sell and market our own product in-house. While the industry standard is a 5% sales commission and a 2% marketing spend, we operate at 2% and 0.75% respectively, reinvesting the difference into brand, content, and community.

Our Competitive Advantage

- In-house sales team: 2% vs. 5% industry standard
- 70,000+ TikTok followers with high-engagement short-form content
- In-house marketing: 0.75% vs. 2% industry standard
- Own buyer database of 50,000+ qualified leads
- 232,000+ Instagram followers organically grown
- No third-party brokers required for event activations
- 2M+ monthly organic reach across all platforms
- Proven closing event model with 100-guest, 20-30 unit close rates

Active Niagara Portfolio

Five of our seven active communities are within a five-to-six minute drive of STK Niagara Falls, making STK the natural geographic anchor for our event programming in this market.

COMMUNITY	TYPE	UNITS	PROXIMITY TO STK
The Falls (Niagara Phase 2)	Mid-rise Condo	40+	4 min
Niagara Phase 3 (McLeod Rd)	Low-rise Towns	39	5 min
Le Falls (7640 Kalar Rd)	Boutique Condo	TBD	6 min
Niagara Lundy's Lane	Mixed-use	TBD	5 min
Niagara Rebstock	Freehold Towns	TBD	7 min
The Muskoka / Lone Pine	Vacant Land Condo	22	Georgian Bay

The M5V Buyer: STK's Ideal Guest

Our buyer community is not an incidental match with STK's target market. It is a structural one. The Niagara market we operate in is being reshaped by Toronto professionals seeking space, lifestyle, and value. These individuals have spent years in downtown restaurants, rooftop bars, and private dining environments. They arrive in Niagara expecting the same quality. STK is where we direct them.

M5V Buyer Profile

Based on our buyer intake data and the demographic profile of pre-construction condo and townhome purchasers in the Niagara region per CMHC and Altus Group market intelligence reports:

CHARACTERISTIC	M5V BUYER PROFILE	STK TARGET GUEST (PUBLIC)
Household Income	\$150,000 - \$300,000+	\$120,000 - \$250,000+
Age Range	32 - 54	28 - 55
Origin Market	Greater Toronto Area	Urban professionals / tourists
Lifestyle Orientation	Upscale dining, travel, fitness	Upscale dining, events, celebrations
Purchase Intent	Primary residence + investment	Special occasions + regular dining
Decision Profile	High-consideration, brand-aware	Experience-driven, value-conscious

We are not bringing STK foot traffic. We are bringing STK regulars. These buyers will become your best recurring guests.

Why This Matters Beyond Events

When an M5V buyer receives a key at closing and then immediately joins us for a celebration dinner at STK, a behavioral anchor is created. STK becomes their default for occasions, client dinners, and date nights. Over 700 households, this effect compounds into a permanent, loyal customer cohort.

What M5V's Platform Is Worth

Before discussing our ask, we want to ground our proposal in the market value of what M5V brings to the table. The following analysis is based on industry-standard influencer and brand partnership rate benchmarks from Influencer Marketing Hub, HypeAuditor, and Creator IQ.

Industry-Benchmarked Media Valuation

At M5V's follower tier and verified engagement rates, industry platforms price branded content partnerships as follows. These are what a brand would pay to purchase equivalent reach. Our partnership offers this at zero cash cost to STK.

ITEM	EST. MONTHLY VALUE	BASIS
Dedicated IG feed post (232K audience)	\$2,500 - \$5,000 / post	HypeAuditor 2024 rate card, macro-influencer tier
IG Story set (5-frame sequence)	\$800 - \$1,500 / set	Creator IQ benchmark, real estate vertical
TikTok dedicated video (70K audience)	\$1,000 - \$3,000 / video	Influencer Marketing Hub TikTok rate guide
Email blast (50K+ buyer database)	\$1,500 - \$4,000 / send	Klaviyo B2C benchmark, \$30-80 CPM verified list
Event co-brand mention (on-site, 100 guests)	\$2,000 - \$3,500 / event	Industry hospitality co-sponsorship rates
TOTAL MONTHLY (minimum deliverable set)	\$10,000 - \$22,000 / mo	3 posts + 2 stories + 1 TikTok + 1 email blast

What We Are Proposing

The following structure is designed to be simple, measurable, and immediately actionable. It does not require legal complexity. It requires a handshake, a calendar, and a commitment from both sides.

M5V Delivers to STK

DELIVERABLE	FREQUENCY	EQUIV. PAID VALUE
Dedicated IG feed post featuring STK	2x per month	\$5,000 - \$10,000
IG Stories featuring STK (event + organic)	4x per month	\$3,200 - \$6,000
TikTok featuring STK event content	1x per month	\$1,000 - \$3,000
Email blast to M5V buyer database	1x per month	\$1,500 - \$4,000
Event co-branding (closing & launch events)	Per event	\$2,000 - \$3,500
STK logo on all Niagara event collateral	All events	Included
STK callout in all M5V Niagara ads (Reels)	Ongoing	Included
Buyer community intro (secret word program)	Ongoing	Trackable traffic

STK Delivers to M5V

- Designation as M5V's Official Event Venue in Niagara
- Preferred pricing on all private event bookings (suggested: 15-20% off standard F&B; minimum)
- Dedicated event liaison for all M5V bookings
- First right of refusal on all M5V Niagara events (12-month rolling)
- Customized menu packages for closing events and buyer dinners
- Reserved sections / buy-out options at preferred partner rate
- Participation in M5V's secret word referral program (trackable table discount or welcome offering)
- Co-marketing assets (M5V featured in STK's own digital and venue channels)

The Secret Word Program

M5V will distribute a rotating secret word through our buyer community, email list, and select social Stories. Any guest presenting the word at STK receives a defined welcome offering, tracked by STK's host team. This creates a measurable, repeatable traffic attribution system between M5V's network and STK's floor. It requires no technology integration and begins immediately.

What Is Already Booked

This is not a speculative partnership. M5V has a confirmed event calendar with real budget already allocated. The first event is scheduled for mid-June 2025 and is fully operational from a planning standpoint. STK has the opportunity to be the venue for every event on this list.

EVENT	TIMING	GUESTS	BUDGET	OBJECTIVE
Niagara Phase 3 Closing Event	Mid-June 2025	100	\$100,000	20-30 unit APS closings
STK Niagara Launch Dinner	Q3 2025	40-60	\$25,000	VIP buyer community intro
Le Falls Lender Presentation	Q3 2025	15-20	\$8,000	Investor briefing
Niagara Phase 4 Preview Event	Q4 2025	75-100	\$50,000	Phase 4 pre-sales launch
Annual Buyer Appreciation Night	Dec 2025	150+	\$75,000	Community retention + referrals
7 Community Tour Event	2026 (ongoing)	TBD	TBD	Regional brand consolidation

Across committed events in 2025 alone, M5V is projecting \$250,000+ in event spend. All of it is currently unallocated to a venue.

Beyond Events: The 700-Home Effect

Over the next 24 months, M5V will deliver over 700 homes across Niagara. Each closing creates a new household in the region. Each household is a potential STK guest who was introduced to STK as part of the single most memorable moment of their home purchase. That lifetime value is not measurable in a single season, but it compounds permanently.

What We Need to Move Forward

We are not asking STK to take on any marketing spend. We are not asking for an exclusivity arrangement that limits STK's flexibility. We are asking for a partnership designation and preferred access in exchange for sustained, high-value promotional activity that puts STK in front of 302,000 engaged social followers and a curated database of 50,000+ qualified homebuyers.

Our Specific Ask

- Official designation: M5V's Preferred Event Venue, Niagara
- 15-20% reduction on F&B; minimums for all M5V-booked events
- A dedicated event contact at STK for direct booking access
- Participation in the M5V Secret Word program (a defined welcome offering for referred guests)
- First right of refusal on all M5V Niagara events on a rolling 12-month basis
- STK co-branding featured in M5V event materials and promotional content

In exchange, M5V commits to a minimum of \$10,000/month in equivalent earned media delivered to STK's brand, plus all confirmed event revenue booked exclusively at STK.

Proposed Next Steps

1. A 30-minute introductory meeting between M5V leadership and STK's marketing or general management team to align on format and confirm the first event date.
2. A simple one-page partnership MOU outlining the designation, rate structure, and content commitment. No complex legal instrument required.
3. Activation of the Secret Word program within 30 days of agreement, creating immediate, trackable traffic from M5V's social and email channels.
4. Confirmation of the June 2025 closing event at STK with a full brief provided within five business days of agreement.

Video Production Notes

- Shoot in portrait (9:16) for Reels and TikTok
- STK logo or interior visible in background if possible
- No music over the voice -- let the delivery carry it
- Add M5V logo lower-third overlay in post
- Cut to a 2-3 second STK exterior or interior B-roll shot at the 0:09 beat
- Caption the full script as subtitles for accessibility and mute viewers
